Most payments will be made by insurance companies, so it is very important to keep up to date with all medical appointments and notify us of any changes. However, we will be offering a self-pay option if needed and using a tiered payment model based on the level of care required.

PAYMENT MODEL

The Tiered payment model involves considering various factors such as the level of care required, specialized services offered, and financial sustainability.

Tier 1: Basic Care

- Includes essential services such as supervision, feeding, and basic activities.
- Suitable for children with stable medical conditions requiring minimal medical intervention.
- Lowest cost tier for families.

Tier 2: Enhanced Care

- Includes all services in Tier 1 plus additional medical monitoring and therapy sessions.
- Suitable for children with moderate medical needs requiring regular medical attention and therapy.
- Moderate cost tier for families.

Tier 3: Intensive Care

- Includes all services in Tier 1 and Tier 2 along with specialized medical care, 24/7 nursing support, and personalized therapy plans.
- Suitable for children with severe medical conditions needing constant medical supervision and specialized interventions.
- Highest cost tier for families.

Additional considerations:

- Customized pricing based on the specific needs of each child.
- Flexible payment options such as monthly, quarterly, or yearly payments.
- Financial assistance or discounts for families facing financial hardship.

Direction and guidance from the Pennsylvania Department of Human Services, the Federal Centers for Disease Control and Prevention (CDC), the Department of Public Health (DPH), and local health department, will be followed. Any actions, operational, or policy changes that need to be made by Pediatric Stars PPECC, LLC in the case of emergency declarations, public health emergencies, or natural disaster will be communicated by the director and will be updated as needed. While closed, we will continue to clean and sanitize the childcare center for when families are allowed to return.

Parents, you are responsible to supply blankets, sheets, special equipment, wipes, diapers, pull ups, formula, food for your infant, powders, ointments, medications, bottles, water bottles, and 2 sets of spare clothing. Note: Please make sure there is ALWAYS a supply of diapers, pull-ups, wipes, formula, medications, and back-up equipment for your child.

LABEL THE ITEMS WITH YOUR CHILD'S NAME PLEASE.

DAILY SCHEDULE

A schedule helps the day to flow smoothly; it allows the children to anticipate coming events, and aids in achieving a variety of goals. There will be times when we must adjust the schedule. Certain children will have individual schedules based on medical needs. Schedule will be posted up on the parent bulletin board.

ACTIVITIES

Pediatric Stars PPECC, LLC is a play-based program and occasionally will utilize the Lending Library to provide developmentally appropriate learning opportunities to encourage your child to be confident, successful, life-long learners.

BIRTHDAYS

Each child's birthday is his/her "Special Day." We will make a big celebration monthly for each child's birthday as a whole for that month. You are welcome to bring in snacks for your child's birthday, but please check with us for allergies.

POTTY TRAINING

When your child is 3 years old, (or if they show signs that they are ready prior to 3 years old) we are very happy to help you potty train your child as long as we both agree to be consistent. When it is time for them to wear underwear, please start at home on a weekend, if they are able to stay dry for the weekend please bring in underwear. Children being potty train must bring at least 2 full sets of clothes and pullups. We will provide progress updates. It will be at our discretion to discontinue potty training if you we feel your child

is not ready. It is important for parents to remember that toilet training patterns can differ between home and the childcare. However, we will work closely with parents so the same language and processes parallel during toilet training.

NAP/QUIET TIME

There will be a time in everyday that your child will be required to “rest”. While most children will take a nap during this time, others who do not nap will be required to lie down or read silently. Because it is important for children to rest throughout the day, we ask that parents/guardians avoid picking up or dropping off your children during these times without advance notice.

Pediatric Stars PPECC, LLC does their best to maintain strict cleanliness and hygiene standards. Children should arrive at childcare dressed, clean, and in a clean dry diaper or pull up if potty training and ready for the day. This includes wearing shoes and socks. Children should be dressed accordingly to the weather. Children’s hands are washed before and after meals and after toileting using Antibacterial soap. Children are supplied with separate cups, plates, bowls and eating utensils that have been washed and dried. If the child requires a special cup, utensil, or plate then parents will need to supply.
